

TROTTERS . . . Currently competing at Santa Anita Park are getting ready for the Los Angeles Trot next Saturday. Armbo Flight and Big John will be favored in the \$15,000 race.

Armbo Flight, Big John Clash in Los Angeles Trot

The first battle of 1966 between Armbo Flight and Big John highlights the second full week of racing at Santa Anita. The two big-name trotters clash in the \$15,000 Los Angeles Trot next Saturday.

The week's action gets underway this Tuesday with the \$7,500-added Far Western Pace spotlighting the nine-race program. Also on tap during the week is the \$7,500-added Far Western Series Trot Wednesday.

The two trotting stars meet once before during their racing careers. Armbo Flight winning the initial round in the \$50,000 American Trotting Classic last fall at Hollywood Park. Big John was fifth in that race.

Non-League Ram Sked Announced

If head coach George Allen's 1966 Rams are not ready for the league opener this September, it will not be because of a lack of rugged pre-season competition.

The Rams today revealed their five-game, 1966 pre-season schedule for the year and it contains only one rival with a below .500 record in 1965.

Beginning with the champion and runnerup clubs (Cleveland and Dallas) from the Eastern Conference, the Rams will complete August by taking on Minnesota and St. Louis. They open September and close the pre-season slate with the traditional battle against San Francisco.

Only St. Louis (5-9) of the five opponents was below .500 last year.

All five games are set for Saturday nights and only the Minnesota date will not be played at the Coliseum. The Rams will meet the Vikings at Metropolitan Stadium in Bloomington where a sellout of 46,000-plus looms likely. This game probably will be televised in Southern California.

The schedule:
Sat., Aug. 6 - Cleveland at L.A., 8:05 p.m.
Sat., Aug. 13 - Dallas at L.A., 8:05 p.m.
Sat., Aug. 20 - Minnesota at L.A., 8:05 p.m.
Sat., Aug. 27 - St. Louis at L.A., 8:05 p.m.
Sat., Sept. 3 - San Francisco at L.A., 8:05 p.m.

Los Alamitos Purses Set

A total of \$458,000 will be distributed for feature race and overnight purses for the 25-day Spring Quarter Horse racing season that opens Tuesday, April 12 at Los Alamitos, it was announced by Racing Secretary Ed Burke.

Biggest attraction for the horsemen are the \$35,000-added Los Alamitos Derby Saturday, April 23, and the \$35,000 Spring Championship Saturday, May 7. The Derby matches the top three-year-olds at Los Alamitos. Both races will be contested at 440 yards.

The largest purse for two-year-olds at the spring meet will be the \$20,000 Juvenile Championship at 350 yards to be raced on closing day, Tuesday, May 10.

Los Alamitos will stage two new races for two-year-olds this spring — the \$5,000 Leo set for April 23 and the \$5,000 Jet Deck April 30.

Ojai Tennis Matches Set For April

More than 1,000 tennis players are expected for the 67th Ojai Valley Tennis Tournament April 21-24 in Ojai, topping last year's total entry of 956 players.

Invitations went last week to 279 schools and colleges in California, Arizona, Colorado, Nevada, Utah, and Wyoming. They include 205 schools in 20 California counties. Of these, 14 have entered "The Ojai" tournament at least 33 consecutive times — as far back as current records go.

South High School is among those invited.

The Jackpot Drag Racing Circuit event scheduled for Easter, April 10, at Carlsbad Raceway in Northern San Diego County has been moved up to April 2-3 and will be the National Hot Rod Association's opening World Series point meet.

The Jackpot races originally scheduled at Bakersfield Drag Strip April 3 have been cancelled, replaced by an all-trotting car meet sponsored by the Dust Devils of Inyokern.

Following the Jackpot event at Pomona today, the circuit schedule will be: April 3 — Carlsbad; April 10 — Riverside; April 24 — Pomona; May 1 — Bakersfield.

Motorcycle Racing Season

The 1966 Southern California flat track motorcycle racing season will be open Friday night, April 1, at Ascot Park, Managing Director J. C. Agajanian announced.

The weekly American Motorcycle Association sanctioned races will continue through the spring and summer and early fall on its customary Friday racing night.

Agajanian also announced there will be steeplechase cycle meet the first Saturday of each month through the same period.

The initial steeplechase meet is programmed for Saturday night, April 2, at 183rd and Vermont Avenue.

Motorcycle racing interest is at a peak in the cycle-minded Southland. For example, there have been more than 200 entries for the winter steeplechase meets.

Among the standouts who are expected to be present for the twin openers are Skip van Leeuwen, Dick Hammer, Ralph White, Jack Simmons, Eddie Mulder, Gene Romero, Sammy Tanner and Dan Haaby.
